This is the first time we have staged this event in our school hall so it will be a new process for us.

As part of the celebrations we will be announcing trophy winners in the choral, strings and band practices.

The audits are usually carried out every four years or following the Queensland state school to provide quality feedback on how the school to perform and to inform school planning processes.

The audits are usually carried out every four years or following the Queensland state school to provide quality feedback on how the school is performing and to inform school planning processes.

The audits are usually carried out every four years or following the Queensland state school to provide quality feedback on how the school is performing and to inform school planning processes.

From this report, the executive summary and eight-page profile will be made available to parents and caregivers on the school’s web site. The principal will work with the school community to include any recommendations in the school’s forward planning.

For further information about Teaching and Learning Audits, please contact your child’s school or visit: www.education.qld.gov.au/nationalpartnerships/teach-learn-audits.html.

Music Showcase Evening 15th November
On Thursday 15th November our Annual Music Showcase Evening will be conducted in our school hall from 6.30 pm.

Throughout the evening we will be entertained by:

- our Junior and Senior Choirs conducted by Ms Kylie Hunter
- the Beginners Strings and String Ensemble conducted by Ms Katie Marshall
- the School Band conducted by Mr Paul Brindley.

As part of the celebrations we will be announcing trophy winners in the choral, strings and band areas.

This is the first time we have staged this event in our school hall so it will be a new process for us.
This is the first time we have staged this event in our school hall so it will be a new process for us.

We will be utilising an adjacent teaching block for our students to warm up and prepare prior to entering the stage area to perform.

Information letters about the Showcase Evening were sent home to all students last week with further details about the event. If you have not received this note can you please contact the school office ASAP and we will be sure to forward a copy to you.

You would note that Mr Robinson our regular Strings Teacher will not be in attendance due to illness. We are currently working with our Visiting Instrumental Music Teachers to address some communication issues to ensure that all of our parents receive notes and accurate information in a timely manner. We thank you for your understanding and support.

I look forward to sharing the Showcase Evening with you next Thursday evening.

Congratulations to our Senior Choir for your Performance on Sunday

Last Sunday our Senior Choir performed at the “I Give a Gonski” event held at Urangan Point State School. The event was aimed at drawing community attention to the need for equitable funding for schools and to highlight the great work that occurs in State and Public Education.

I was very proud of our choir who did a wonderful job enthusiastically entertaining an audience of parents from various schools and community members.

I would like to thank Ms Hunter for her dedication and commitment to our school and the choir and to our parents for bringing your children along on the weekend. Our choir was called up earlier than expected to the stage to perform which did catch us a little by surprise. As I am sure you would appreciate this was out of our hands and in the control of the event organisers.

You sounded beautiful children. Congratulations for a wonderful performance!

Leap into Learning Target Meeting Week

This week is Leap into Learning Target Week in which the Leadership meet with their teachers to review the progress of students over a 5 week period.

This round of target meetings focusses on the recent school wide assessment gathering process conducted in the second and third week of this term. Children across the year levels have completed the following assessment tasks:

- PAT Reading Comprehension (prep - year 7)
- PAT Vocabulary (years 5-7)
- PAT Maths (years 3-7)
- I Can Do Maths (Years 1-2)

The data collected from this round of testing is compared to the data collected earlier in the year to measure gains made by classes and individuals in these areas.

The results of this testing can be found in your child’s Student Assessment Folio each Semester.

Leap into Learning Target Meetings are a valuable aspect of our School Wide Strategic Agenda and allow the leadership team to work closely with class teachers to monitor the progress of children and respond to the individual learning needs of students to ensure that every day in every classroom children are making leaps forward in their learning.

If you would like more information on your child’s results please be sure to talk to your child’s teacher.

Semester 2 Reporting Process

With the end of term fast approaching teachers are busy completing end of term assessment and constructing report cards.

Parents will be invited to attend a Parent teacher interview with your child’s teacher to discuss their upcoming report cards and to take you through your child’s Student Assessment Folio.

These interviews will be timetabled in week 9 from the 3rd to the 7th of December.

Parent Teacher interview invitations will be sent home in the coming weeks to all families. Parents are also able to arrange an interview with our LOTE, Phys Ed and Music teachers during this time. Student Assessment Folios which accompany the Semester Report Card will be formally issued to all students on the 13th December in the last week of term.

What is a Student Assessment Folio?

Student assessment is an integral component of the teaching and learning cycle.

Teachers assess students in a range of different ways on a daily basis through formative assessment tasks such as observations, checklists, conferences etc. Students also complete summative assessment tasks demonstrating their understanding of key concepts in units of work across all of the Key Curriculum Areas.

The Student Assessment Folio contains a range of summative assessment tasks completed by your child across each of the Key Learning Areas this Semester. These summative tasks are used to assist teachers in making judgements regarding student achievement and are reported as an A-E in the report card issued each semester. Please note that not all samples of work that contribute to the achievement rating on the report card are contained within the folio.
Semester 2 Academic Awards
As part of our recognition of outstanding Academic Achievement, I will be presenting all students who have achieved outstanding results in English, Maths and Science with a Principals Award. Students who have made wonderful progress through hard work and dedication in English and Maths will also be awarded a Principal’s Encouragement Award.

In the Senior School students who have made outstanding progress in Chinese will also be awarded a Principals Achievement and Encouragement Award.

This Semester I am introducing an additional award at both the Junior and Senior level in the area of Visual Arts for outstanding achievement.

Letters will be sent home from Monday 26th November with all students who are receiving awards inviting parents to our special assemblies.

Our Senior Awards Assembly will be conducted on Wednesday 5th December from 1.45 pm in our school hall.

Our Junior Awards Assembly will be conducted on Friday 7th December from 1.45 pm in our school hall.

I look forward to celebrating the outstanding achievement and effort of our students with our school community during both assemblies.

A Reminder about 2013 School Sports Uniform Orders and Early Bird Bookpacks
Last week on both assemblies students modelled the new 2013 School Uniform Sports Shirts to our students, staff and parents.

The shirts look fantastic and have been well received by our students and parents. These shirts are only available through a pre-order system. In order to make the manufacturing deadlines for the year all orders and payment must be received in our school office by Friday 16th November.

This will ensure that the shirts are ready for the start of the 2013 school year.

Another order will be placed in the initial weeks of the 2013 school year to accommodate our new families and further orders.

Sample sizes of the new Sports Shirt are available in the office if you are unsure of the size to order for your child.

A gentle reminder also to all of our families if you would like to take advantage of the Early Bird 2013 Bookpack order system all forms with payment must be received in the school office by 30th November.

Please contact the school office if you would like more information or have misplaced your order forms.

Leap into Pre-Prep Program Session 4 – Letters and Sounds 13th November
At Sandy Strait we believe it is important to provide our students with the best possible start to their first year of schooling.

This year we have introduced a Pre-Prep Program to assist our children and parents to best prepare for the curriculum and learning expectations of the upcoming Prep Year.

The forth of our 4 part series is planned for Tuesday 13th November from 9.30 am—10.30 am. This session will focus on the development and understanding of Letters and Sounds which is a necessary skill our children require to engage in the National Curriculum when they start school.

Purpose of the Program:
- To provide an orientation and skill based program to help prepare our future students for the Prep Curriculum in the year ahead
- To model and provide activities and ideas for parents to work on with their children at home to ensure that they have the best opportunity to succeed in the Prep Year.
- To foster and build relationships between teachers, students and parents prior to the commencement of the school year
- To provide opportunities for our future Prep students to interact with one another and build relationships prior to commencing school.

How the Program will work:
- The program will be conducted over 4 separate 1 hour sessions throughout term 3 and 4.
- Children and parents attend each of the sessions

At the end of each session parents will be provided with a pack of activities to take home to use with their child between sessions. Each of the activities contained within the pack will have been modelled throughout the morning session. A different activity pack will be distributed at each of the sessions.

Each session will have a particular teaching focus with activities and games developing the following:
- Session 1: Oral Language
Session 1:  Oral Language  
Session 2:  Early Number Concepts  
Session 3:  Developing Reading  
Session 4:  Sounds to Letters  

At the conclusion of the Pre-Prep Program your child will be presented with a certificate for completing the Sandy Strait Pre-Prep Program.

Parents will need to submit their completed Enrolment Form prior to commencing the Pre-Prep Program to ensure that we have all of your child's details.

Starting school is such an exciting time for both children and parents and we are looking forward to working together with you and your child throughout the Sandy Strait Pre-Prep Program.

To secure your position in our Pre-Prep Program and your placement at Sandy Strait you must return your completed enrolment package including a copy of your child’s birth certificate (this is a condition of enrolment at all schools in Qld).

If you do not have a copy of your child’s birth certificate you will need to order one before we can accept or confirm your child's placement (an application form for the Registry of Births, Deaths and Marriages in Queensland has been included in your Prep Enrolment Pack Folder.)

Please contact our school office to collect an enrolment pack today.

Congratulations to Mr Baldwin
Last Friday Night Mr Baldwin our PE teacher was awarded a Meritorious Service Award from Wide Bay Sport for his outstanding and lengthy contribution to school sport for Hervey Bay, Wide Bay and Qld. Mr Baldwin is certainly most worthy of such a prestigious award. Congratulations Mr Baldwin we are very proud of you.

Congratulations to Ms Quinn and Mrs Voigtlander
As part of our World Teachers Day Celebrations we congratulated Ms Quinn (Year 2 teacher) and Mrs Voigtlander (special needs teacher aide) for 25 years of meritorious service to Education Qld and the students of our State. The P & C organised a lovely morning tea for teaching and non teaching staff as a special thank you for all they do to support and educate the children of Sandy Strait. Congratulations to Ms Quinn and Mrs Voigtlander and a big thank you to our hard working P&C.

**Top**

**NEWS FROM THE JUNIOR SCHOOL**

Mrs Helen Forbes

Next week students commence their final five week unit in both English and mathematics. During this time teachers will be assessing as well as teaching and preparing student’s final report for this year. Please encourage your child to do their best in both work and behaviour during the last five weeks of this year. The following overview will give you some information of the learning your child will be doing in English and Mathematics over the five weeks.

**Year 1**

**English**

Students will be creating their own version of a favourite story. Students will learn how to innovate on the story by changing characters, setting and events. They will need to use persuasive language and they will also present a spoken justification about the choices they made for their innovation.

Reading will continue to be a focus of literacy activities and students will be encouraged to keep practising their reading and comprehension in school and at home.

**Mathematics**

In number students will learn to problem solve using addition and subtraction as well as identifying addition and subtraction situations. In Chance and Data students will learn to predict outcomes of events and will use the language of chance to describe ‘the outcomes of events as ‘will happen’, ‘won’t happen’ and ‘might happen’ and modifying events to alter the chance of an outcome occurring. In patterning students will identify and describe number patterns generated from addition and subtraction.

Each day students will also revise concepts, facts and skills in the areas of money, counting, measuring length and classifying 2D and 3D shapes.

**Year 2**

**English**

Students will be exploring narrative texts by reading, viewing and listening to a range of stories from other cultures. They will create a written retell of an event in the life of a person or character from one of the stories studied. Students will create written and spoken imaginative texts through correct use of sentence structure, spelling and punctuation. Students will continue with their reading activities with a focus on comprehension.

**Mathematics**

Students will be working on addition and subtraction with 2 digit numbers; counting coins and notes and representing equivalent note combinations to $100; discovering more about shapes and revising and consolidating understanding of concepts of place value, fractions and time in a variety of contexts. Students will also continue to practise their mental computation facts (tables).

**Year 3**
English
In year three students will be reading, responding to and writing people’s stories. Students will listen to, read and view informative and imaginative texts set in the past about people and their experiences. They will write a letter to a student in the future describing a memorable event in their life and their hopes for the future. Students will need to use appropriate language features and text structures to write their letter.

In Reading comprehension students will practise comprehension strategies to build literal and inferred meaning.

Mathematics
Year three will study the concept of Location by exploring the features of maps, using maps to give and follow directions and creating a map. In number they will be revising addition and subtraction facts and strategies as well as multiplication and division facts and strategies.

In shape they will be Identifying and using the features of three-dimensional objects.

Students will also continue to revise concepts, facts or skills on:

- analogue and digital times
- symmetry
- fractions on a number line.

Prep English
Prep students have been working on writing and illustrating a story that allows them to practice and show their knowledge about words, sentences and matching pictures to text. They have been building these skills over the term and are now preparing to publish their stories. Please discuss your child’s book with them and provide positive feedback about their effort. Students will also continue to practise their reading and comprehension by developing their sound-letter knowledge, fluency and responding orally to comprehension questions.

Mathematics
In number our prep students are connecting number names, numerals and quantities. They are extending this knowledge to adding and comparing amounts to 10, which requires them to use the mathematical language of addition. They will be measuring the length and volume of objects and sorting, describing and naming familiar shapes and objects. They will also be comparing and ordering the duration of events and connecting days of the week to events.

NEWS FROM THE SENIOR SCHOOL - MR BRUCE JACKSON

Free Dress Day
This Friday (Nov 9th) is a free dress day (gold coin donation) All money raised goes towards our Chaplaincy Program including cost of a bus to Torbay Retirement Village for a concert and kindness visit later in the year. We would love your support.

Cybersmart:
Over the last 2 weeks the school has had been directly impacted on a number of students inappropriately using social networking sites on the internet. Here are some reminders and tips to both parents and students about safe use of the internet.

Cybersmart guide to internet safety
Cybersmart tips for parents For more information contact: Australian Communications and Media Authority Cybersafety Contact Centre Telephone: 1800 880 176 Email: cybersafety@acma.gov.au
www.cybersmart.gov.au

Q: How can I help my child get the best out of the net?
Q: What risks should I know about and how do I protect my child on the net?
Q: How do I make a complaint about offensive material?
Q: Where can I find great sites for kids?

Help your kids to make smart choices about who and what they find online. To do so:

Spend time online. The internet can be a fun family activity—check out good sites with your kids!

- Compile a favourites list, which you can visit again and again.
- Help your children use the internet as an effective research tool.
- Learn about handy homework tips for kids and also good searching ideas.
- Teach children that information on the internet is not always reliable. If it sounds too good to be true, it probably is!
- Teach your children ‘netiquette’. Encourage them to treat others online in the same way they should in real life.

Set rules:

- Make sure your children know what information they can give out and where they can go on the net.
- Limit time in chat rooms, particularly for younger children. Encourage the use of chat rooms that are moderated (that is, where messages are screened by an adult before they are sent).
rooms that are moderated (that is, where messages are screened by an adult before they are made public).

Chat safely—be aware of Strangers online: Chatting on the net is very popular among young people, particularly young teenagers. It can be a great way to meet and talk with people across borders, time zones and backgrounds. However, a lot of real world risks also exist online, especially in chat rooms. Most people online are friendly and polite but some can be unfriendly and rude. A small number are exploitative and predatory. Be aware of this and encourage your children not to respond to any communication that makes them uncomfortable.

Be involved: Put the internet computer in a public area of the home. Areas like the living room are ideal, rather than a child’s bedroom. Talk to your children about their experiences online—the good and the bad. Get to know which chat rooms they are visiting and who they are chatting with. Talk to your children: Let them know it’s okay to tell you if they come across something that worries them. It doesn’t mean that they’re going to get into trouble. If your child wants to meet someone they have met online, you should find out about the person to see that they are who they say they are. Talk to them and their parents by phone first and accompany your child to the meeting.

Teach your kids ways of dealing with: Disturbing material. Explain that they should not respond if someone says something inappropriate and they should immediately leave any site if they feel uncomfortable. Encourage them to tell you if anyone says something that makes them feel uncomfortable or scared.

Remember!: The best protection is parental supervision and guidance. Children need parents and family members to help them become Cybersmart!

Chatsmart Webcam: Be careful! ONLY add friends you really know to your contact list! Remember! You can block strangers from seeing when you are online!

Kids: These tips are for you!

Be careful: Meeting people online might be fun, but remember that the people you meet online may not be who they say they are. Someone claiming to be a 12-year-old girl could really be a 40-year-old man.

Check with your parents/carer first: Ask your mum, dad or carer before you give out your name, phone number or address or any other personal details. This includes the name of your school, your photo and any personal information about your friends and family.

Never post such information in a chat room or somewhere lots of other people might see it. Always keep your password a secret.

Don’t respond if someone in a chat room posts offensive pictures or says something rude or scary, or if you are sent these in an email, don’t respond, save it and leave the chat room straightaway. Tell if you see upsetting language, nasty pictures or something scary tell your parent or another adult you trust.

Say NO! If someone asks you to do or watch something that you find upsetting or wrong say NO! Close the conversation straight away and tell your parent or another adult that you trust.

HOTLINE

If you see content on the net that you believe may be prohibited, you can make a complaint to the ACMA about it. Complaints should be made online at www.acma.gov.au.

REMEMBER—A filter cannot be a substitute for parental supervision.

TUCKSHOP NEWS

Thank you to the P&C for the lovely bunch of flowers I received on Fridays parade celebrating Tuckshop Day. It was a lovely surprise and nice to be recognised.

Thank you to all the volunteers that also attended, it was a great feeling to have your support & your help is greatly appreciated within the school community.

The recent Meal Deal Day at tuckshop was a success – Thanks to all the families that ordered meals supporting our school and a big thank you Kerry, Nic& Jacqui that made this day possible.

SCHOOL BANKING

Wow, 2012 is nearly over so it’s time to count your School Banking Dollarmite Tokens to see if you can redeem a reward. If you have 10 silver Dollarmite Tokens you can redeem any of the following:

- Money Box (Cred, Pru, Pat, Addy, Spen)
- Drink Bottle;
- Pen Pod
- USB

To redeem simply place the 10 tokens along with a note of which reward you would like to receive in with your next school banking deposit. On a happy note, our rewards previously on backorder have finally arrived and have been handed out to those waiting on them. We also want to welcome Danielle, our new banking co-ordinator, we appreciate you stepping up to help. Another helper is still needed to make banking continue in 2013. If you are interested in helping out with school banking please leave your name and phone number with the office and we will contact you shortly.

If your child is not involved with school banking and you would like them to start ready for next year you can collect a School Banking pack from the school office which includes an application form to get started or if you are an existing Commonwealth Bank customer with access to Netbank you can apply for your child’s Youthsaver account online.

Thank you from your School Banking Co-Ordinators Sarah & Rebecca

**LIBRARY NEWS**

Our excess Babysitters Club books have been selling well, but we still have some left! These books are aimed at girls from about year 4. We are selling them at 50c a copy at morning tea and lunch times in the library. First in, first choice.

**BOOKCLUB NEWS**

New pamphlets have been distributed to students today. All orders must be returned by Friday 23 November. Please ensure that you have correct money enclosed in your child’s envelope and have written your child’s name and class on the order form.

We have an order from the last bookclub that has no name on the order form. Please contact the office if you have ordered something from bookclub and have not received your item.

**STUDENT LEADER NEWS**

This year seems to have gone so fast, but the last term coming up to Christmas is always challenging for everyone. It is always exciting and busy getting ready for our long Summer holidays. We need to remember that every learning day counts and we all need to stay focussed. What we learn in this last term is preparing us for next year. Heads down.

Josh Grinter

**PE NEWS**

Unwanted Golf Balls

Students in Gr 3 – 7 have begun their Golf Unit for Term 4. As the unit progresses students will begin to use ‘real’ golf balls. As any golfer knows they have a mind of their own and quite often get lost during our unit. If any families are happy to donate unwanted golf balls in reasonable condition it would be greatly appreciated. Any donations can be dropped off at Mr Baldwin’s office.

Gr 2 and 3 Swimming

Notes outlining all of the details for Yr 2 and 3 Swimming have been sent home this week. Payments need to be returned by Monday 26 November. If any parents have questions or concerns please feel free to drop in and see me or give me a call.

Swimming Training (Gr 4 – 7)

We have commenced swimming training before school on Wednesday and Friday Mornings from 7 – 8 at the Hervey Bay Aquatic Centre. Students of a reasonable swimming standard are welcome to attend in preparation for the upcoming Hervey Bay Zone Swimming Carnival. These sessions are aimed at students who may attend Nippers, have had some squad training and who are capable of swimming 50m at least under 60 seconds. Interested students can collect an information letter and consent form from me which they MUST return before attending these sessions.
Congratulations
Well done to Aimee Steer who was a member of the winning Wide Bay Girls Cricket Team at the QLD State Schools Girls Cricket Championships. They won the trophy in a tense final.

Wide Bay Triathlon and Aquathlon Trials
Good luck to SSSS students participating in this weekend’s Wide Bay Triathlon and Aquathlon Trials to be held at the Seafront Oval on Saturday morning.

Showcase News
Showcase 2012 is just 1 week away and the excitement is building for our instrumental and choral students. This is the time of the year where they get to display what all their hard work has been about and shine for family and friends. This year Showcase is on November the 15th starting at 6:30 pm. It will be held for the first time this year in our Sandy Strait State School Hall. Students will have received a note last week outlining all the details but if not please come see me for a copy. It is an enjoyable and always entertaining evening and I look forward to seeing enthusiastic performers and a wonderful audience in attendance.

Kylie Hunter
Music Teacher

Parents and Citizens News
Raffle Tickets
These will be sent out to classrooms on 8th and 9th of November, please keep an eye out for these. Raffle tickets will be in groups of ten, and will be given to one member of each family (if you receive more than one book per family, and are unable to sell them, return tickets to P&C slot in office). The cost per ticket is $1.00. Please ensure that Raffle tickets (sold/unsold) and money are returned by Wednesday 28th of November. All money is to be secured in either a ziplock bag or an envelope with your child’s name grade and amount clearly marked. Please note: Any loose or unnamed money can not be traced, and will be treated as a donation to the P&C. The Raffle will be drawn on Wednesday 5th of December. Prizes are as follows:

First Prize:
Santa Statue
Chocolates
10 pack of Bon Bons
$20.00 Voucher - Hervey Bay Golf Club
$20.00 Voucher - Tag Art Factory (pets)
1 nights Accommodation - Spa Apartment - Mantra Hotel - Hervey Bay
Photographic Package

Second Prize:
10 pack of Bon Bons
Redken Gift Pack
Aromatherapy Pack
Avon Bag
Dare Hair Studio Pack
Bathpack
12 pack Candycanes
2 Necklaces
$20.00 Voucher - Tag Art Factory (pets)

Third Prize:
Basket - Assorted range of Christmas goods

Fourth Prize:
Basket - Assorted range of Christmas goods

All proceeds assist the P&C to purchase state of the art technology to support learning and the National Curriculum. We thank you for your support. We especially would like to thank the following parents/caregivers and Businesses for their donations of Raffle Prizes:

Michelle Gale - Mantra Hervey Bay Resort
Linda Douglas - Dare Hair Studios
Jenny - Friendslies Chemist
Joy Butler - Growtograph
Hervey Bay Golf Club
Tag Art Factory

There were also others that handed in Vouchers and prizes to our Admin team. Thank you also to all of our Parents and Caregivers that donated items for our Christmas Baskets Raffle Prizes.

No more Second hand Uniforms needed:
At this point in time our plans to open a Second Hand Uniform shop are on hold for the foreseeable future. Unfortunately we have received nowhere near enough uniforms to get this project off the ground. All uniforms donated so far will be put to good use though. The uniforms will go to those families throughout next year who’s Parents/Caregivers are experiencing hardship.

Page 8 of 11
families throughout next year who’s Parents/Caregivers are experiencing hardship. We thank those of you who have donated uniforms throughout this year.

**P&C Meeting**

The next P&C meeting is an Executive one on Wednesday the 28th of November at 3.00pm.

Kim Parnell
P&C President

**'Found Myself In Wonderland'**

Is the next Youth theatre production to hit the Z-PAC stage, presented by the Transit Teens group. ‘Found Myself in Wonderland’ takes you on a journey with Alice into Wonderland, where she meets some outrageous, zany, larger-than-life characters. Some of these characters you may even recognise as personalities you encounter in your daily lives. This is not your ‘usual’ Alice in Wonderland story. It is written for an older audience, although the younger children will enjoy the colours and recognise familiar characters from the well known and loved ‘Alice in Wonderland’.

Good for all ages! So come along and enjoy!
POSITIVE PARENTING PROGRAM

An invitation is extended to parents of Hervey Bay and Maryborough to attend the Positive Parenting Seminar and/or Group by the Community Health Nurses in each city.

Time involved Seminar: One session from 9:15am till 12:noon
Date: Tuesday 13th November 2012

Time involved Group: Three weekly sessions of 3 hours each
Dates: Thursday 29th Nov, 6th, and 13th December 2012 from 11:45am till 2:45pm

Some subjects to be covered include:
- The challenges of parenting / coping with children’s behaviour.
- Causes of common behaviour problems in children.
- Avoiding problems
- Building positive relationships with children.
- Encouraging desirable behaviour.
- Dealing with misbehaviour.
- Setting Rules and limits that work.
- Using discipline that works.
- How parents can care for themselves.
- Groups session will include skills practice of knowledge obtained from attendance.
